THE KIWANIS club will maintain its baseball team throughout the season. At its meeting Monday the organization celebrated its victory over the Rotary club by staging a mock trial.  
INCREASE IN THE telephone rates of the Sand Springs telephone company will take effect August 1, making the rental of business phones 13 per month and residence phones \$1.15.  
INVITATION HAS BEEN extended to all Oklahoma 17 grade and former students to attend the picnic luncheon planned by the Oklahoma 17 club to be held at Sand Springs park August 2.  
TULSA COUNTY Fruit Growers association at its meeting Saturday fixed the price of Kibria peaches at \$2.50 a dozen. The most popular varieties will go at \$3 per bushel.  
ATTORNEY GENERAL Prince meeting will approve the \$5,000,000 bond issue for Spawna water, according to the report of City Attorney E. P. Marshall, who returned Sunday night from Oklahoma City.  
COMMITTEE FROM all of the labor crafts of the city met Sunday and inaugurated plans for a monster celebration to be held here Labor day, which will include a parade, dinner and program at Convention hall.  
THE SPECIAL TERM of the division of the men of Spaw's organization was "The Indian," a weekly published by the Second division.  
Spaw, who will be discharged in the near future, has decided to make his home in Tulsa, although he was a resident of Muskogee when he enlisted in May, 1917. He was sent to the recruit depot at Fort Belvoir, Ill., after receiving his training at Quantico, Virginia, he left New York for "over there" October, 1917.  
The ex-German sea raider Prince Friedrich eluded a submarine on the way over and Spaw was landed safely in France. Though he came out without a wound, Spaw saw service in several sectors that were far from quiet. He was at Verdun, took part in the Chateau-Thierry action, Soissons, a quieter sector north of Nancy and he also was present at the cross country run after Meuse at St. Mihiel. From there Spaw went to Champagne and Meuse-Argonne. With the signing of the armistice he was sent to the Rhine. On June 29 he embarked at Brest for America on board the old "Vaterland."  
"Well, I guess I am like all of the rest of the boys," said Lieutenant Spaw. "I wouldn't take a million dollars for my experience, but, believe me, it would take a lot to tempt me to go through them again."

MORE RENBERG GOODS RECOVERED BY COPS

K. Cline Arrested and Confesses He Took Part in Robbery—One Boy Refuses to Talk.  
The net of the law is rapidly being closed around the gang of young men who are responsible for the recent robberies of the Renberg clothing store on Main street, and the arrest of K. Cline, who was implicated by the confession of one of the two youths arrested Sunday, resulted in the recovery of another portion of the missing clothing.  
After several cross-questioning by Chief of Detectives Grant Pilkington, who is responsible for the clearing up of the mystery, Cline is said to have confessed to being a party to the latest robbery and also led the officers to the hiding place of the loot.  
Elmer Black and Charles Harvey were arrested by the detectives Sunday and the clothing they were wearing was identified as part of that which was stolen at the time of the latest robbery. Harvey made a clean breast of his share in the affair and implicated his partner in all of the previous robberies. Black, however, persistently refuses to talk and his share of the loot has not been recovered.  
Other arrests are expected to occur today that will disclose the location of the remainder of the stolen goods.

TEXAS SENATE WANTS Right Held by State Before Joining Union

MUSTIN, Texas, July 21.—Without debate the Texas senate today adopted a concurrent resolution calling the attention of the president and congress to the guerrilla warfare that has prevailed along the Texas-Mexican border since 1875 and asking the federal government to "accord to Texas the right of secession" in order to prevent the recurrence of such a state of affairs.  
The subject to be attained through such "liberty of action" as is accorded to the constitution is that Texas may take such action as may be necessary for the protection of its borders.  
The resolution recites that in the past years during which period citizens of Texas have been molested and their property stolen or destroyed and the people have been made to suffer the scourges of guerrilla warfare.  
Wife—"I don't think your new suit is fast colored. It's afraid it will fade dreadfully in the sun."  
Husband—"If so, perhaps I'd better go out more at night, then."

**CREAMERY BUTTER 15 OUNCES**  
**Armour's CLOVERBLOOM BUTTER**  
**Which?**  
**Read the Label on Your Carton**  
WHETHER you ask for just "a package" of butter or a pound, be guided by the printed label! The law requires that the carton which guards your butter shall bear the net weight of the contents in plain figures.  
So, when you order "a pound of butter," look at the label. Then compare the price you pay with the weight you get. After that you'll order your butter by name—  
**Armour's Cloverbloom BUTTER**  
Read the Label on the Carton  
If the package you get reads "net weight of contents 15 ounces," the chances are you are not buying economically. Be guided by the label, because you cannot easily detect the difference in the size of the carton.  
Some Packages of Butter Are Smaller  
They may look the same size. But the 15 ounce size has a little butter taken off sides and ends. If all that butter were taken off from one place you would quickly see the difference. To be safe, order your butter by name—Cloverbloom—and has greater food value.  
Churned from Pasteurized Cream  
Only the richest quality of cream is used in churning this top grade Armour product. Strictly hygienic conditions guard every process of its making, give it that sweetness, purity and color that has made it famous as highest quality Northern creamery butter.  
Ask Your Dealer for a Full Pound  
Don't just ask for "a package of butter" or "a pound of butter." Insist on Cloverbloom—tightly sealed, protected by paper parchment wrapping and guaranteed by the Oval Label—the top grade quality mark that guarantees it as the best. You will find Cloverbloom costs less per ounce and has greater food value.

**Do your Jams and Jellies ever "Candy"?**  
Many women have been so discouraged by this trouble that they have almost stopped putting up fruit.  
Yet, there is an easy, simple way to avoid it. Use  $\frac{1}{4}$  Karo (Red Label) and  $\frac{1}{2}$  sugar in your preserving syrup, instead of sugar alone.  
Karo is a fine, clear syrup, with a natural affinity for the juices of the fruit.  
It blends the sugar with the fruit juice—brings out all the "fruity" flavor.  
You, too, will obtain perfect results this summer if you will use  $\frac{1}{4}$  Karo (Red Label) and  $\frac{1}{2}$  sugar instead of all sugar for preserving.  
You will find your jelly clear and firm—your preserves rich with heavy syrup—your jams deliciously mellow and "fruity". Not a sign of "candyng".  
For Cooking, Baking and Candy-Making Karo (Red Label) is used in millions of homes. In all cooking and baking recipes use Karo instead of sugar. It is sweet, of delicate flavor, and brings out the natural flavor of the food.

From the Sterling Motor Freight Corporation, of Albany, running daily freight service between Albany and New York:  
"Our operations call for the very best tires that we can buy. We have experimented with four of the leading makes of tires, and of these have found **GOODRICH DE LUXE TRUCK TIRES** the best investment we have made in tires.  
"I have just taken off a set of Goodrich De Luxe Tires that gave over 23,000 miles on the front of a truck and I am going to put them on the rear of one of our pick-up trucks. They are good for 3,000 miles.  
"We believe that the high profile De Luxe Tire is the only tire for the good of the truck, and gives a greater mileage per gallon of gasoline, with fifty per cent more wearing surface."  
Could anything be more convincing?
